

Project Erebus Floating Offshore Wind Farm

Notice to Mariners

NtM Number	Erebus/005	
Date of Issue	17.11.2020	
1 Planned Activity		
<p>A marine vessel traffic survey is due to be undertaken of the proposed Erebus Floating Offshore Wind Farm (FLOW) project. The survey will be undertaken from one survey vessel, ROVER ALPHA, and will involve the collection of data of detected vessels and marine users within the survey area through use of onboard radar, AIS and visual survey methods.</p> <p>The survey will collect data within the proposed main offshore array area (circa 43.5km²) and the offshore export cable route corridor (nominal 450m width) together with a buffer of up to 10km. The extent of the area in which the survey vessel may be located during the survey is shown in the attached figure with accompanying coordinates. The survey vessel will roam and/or remain on a nominal station within this area for an approximately 14 day duration depending on weather conditions. Dates may be subject to change. The survey vessel will operate on a 24hr basis and display appropriate day shapes and lights at all times during operations.</p>		
2 Geographic co-ordinates and chart of survey area		
<i>All positions quoted in WGS84: latitude /longitude, in degrees, minutes & 3 decimal places of minutes</i>		
See attached figure and list of coordinates.		
3 Safe clearances, navigation safety features and safety notes for mariners		
All vessels are requested to maintain a safe distance from the survey vessel at all times.		
4 Outline programme of works		
Survey area:	Start Date: 22 November 2020	Estimated Completion Date: 6 December 2020 (14 days after start date and may be extended depending on weather conditions).
5 Vessel details		
Area of Operation	Offshore	
Vessel Name:	ROVER ALPHA	
Vessel Type / LOA(m):	Survey Vessel / 19.21 m	
Vessel Function:	Survey vessel	
Call Sign:	MLAS2	
MMSI:	235010380	
Vessel Operator Telephone:	+44(0)7786512045	
Vessel Operator Email:	info@kinnairdmarine.co.uk	
		
6 Project Contact Details		
Fisheries Liaison Officer: Jonny Lewis (Marine Space) Telephone: 07817 644284 Email: jonny.lewis@marinespace.co.uk
